

Download the **TESDA Online Program App** (Available on Android and IOS)

Create New Account

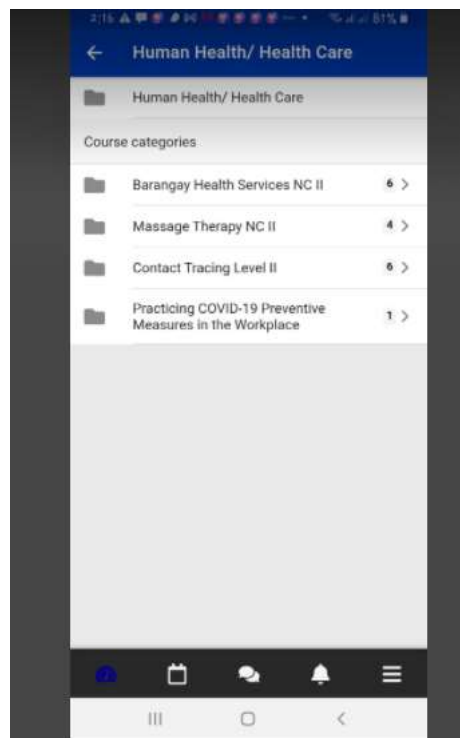

Must have a valid email address for verification.

A screenshot of the 'New account' registration screen in the TESDA Online Program app. The screen has a blue header with a back arrow, the title 'New account', and a help icon. Below the header, it displays 'TESDA Online Program' and the URL 'https://e-tesda.gov.ph'. The main section is titled 'Choose your username and password' and contains several input fields: 'Username', 'Password' (with a strength indicator and a note: 'The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s)'), 'Email address', 'Email (again)', 'First name', 'Surname', and 'City/Town'. Each field has a red asterisk indicating it is required.

Login then go to **Site Home**. Scroll down and access **Human Health/Health Care**.

Access the **Covid 19 – Preventive Measures in the Workplace**

Read the content then take the Summative Assessment. You will have your Certificate after you've passed the summative assessment. Send your certificate in PDF format to your trainer.
